

# Master of Investment Management and Financial Analysis (MIMFA)

## OUTCOMES

### A GROWING FIELD

If you're seeking an advanced career in investments, portfolio management or security analysis, earning your master's degree in Investment Management and Financial Analysis (MIMFA) from Creighton can set you apart from your peers and position you for success in a growing field.

The U.S. Bureau of Labor Statistics predicts significant growth by 2024:

**↑ 12%**  
increase in  
employment for  
financial analysts

**↑ 30%**  
increase in employment  
for portfolio management  
and other specific industries

### CREIGHTON'S MIMFA PREPARES STUDENTS FOR THE CFA® EXAM

The Chartered Financial Analyst® (CFA®) credential is a widely regarded investment management credential and the professional standard of choice for 31,000+ investment firms worldwide. To earn your optional CFA designation, you must pass a series of three challenging exams. Creighton's MIMFA program focuses on preparing students for the CFA exam, and it's one of a small number of graduate programs in the CFA Institute's University Affiliation Program.

AT  
LEAST **70%**

of each level of  
CFA exam material  
is covered in the  
MIMFA program

**100%**

of MIMFA faculty  
hold their  
CFA credential
